

REMARKS

The present Amendment is in response to the Examiner's Office Action mailed February 9, 2007. Claims 1-29 are cancelled and claim 47 is amended. Claims 30-53 are now pending in view of the above amendments

The Office Action rejects claims 47-49 as indefinite since line 6 says "manufacturing the structure," yet claim 47 is directed to manufacturing a "reef artifact." Claim 47 has been amended to delete the word "structure" and replace it with the phrase "reef artifact." Applicants believe that, in light of this amendment, claim 47-49 are no longer indefinite and Applicants respectfully request that the rejection of these claims for indefiniteness be withdrawn.

In the event that the Examiner finds remaining impediment to a prompt allowance of this application that may be clarified through a telephone interview, the Examiner is requested to contact the undersigned attorney.

Dated this 9th day of May, 2007.

Respectfully submitted,
